Judy will write a letter from the president about our concerns. We need to find a new liaison to take over. Joni will take over the forward the emails. Judy will notify Linda that Joni will be taking over the liaison. Roianne will remove Linda Bell from PRGRCO list.

Newsletter: Discussed the outdated idea of a newsletter and whether it was worth continuing to consider this. Reminisced for awhile about days gone by and events we used to do. Does Facebook really take over for this.

Website: The domain went down because of non-payment. Roianne was able to get it taken care of. Two years now paid for. Don't want to much more than that so we can keep it in mind and not get too far out so people forget.
